Consent & Agreement

I certify that the above information is accurate to the best of my knowledge. I understand that massage therapy involves manual manipulation of soft tissue and may cause temporary soreness, redness, or sensitivity. I have disclosed all relevant medical information and allergies.

I consent to the massage treatment described above and any recommended adjustments based on my needs today. I understand I may request that pressure or technique be adjusted, or that the session be stopped, at any time. I release Epoch Skin and its practitioners from liability for any adverse reactions resulting from undisclosed conditions or non-compliance with aftercare.

Signature: _____ Date: _____

Practitioner Notes (for internal use — areas of tension, technique used, pressure, recommendations, follow-up):

Thank you for choosing Epoch Skin!
